Help Make the Linden Hills Festival Happen!

WHAT IT IS

The Linden Hills Neighborhood Council (LHiNC) produces this popular annual festival in May. We create a day-long, family-friendly event that appeals to a broad range of ages and interests. The proceeds from this event support our local grant programs. Just a few of the features include:

- Games and inflatable rides for children
- Two music stages with all-day performances by local bands, orchestras, and singers.
- The kick-off of the Linden Hills Farmer's Market (though usually positioned in Settergren's parking lot, they have their first market of the year with us at the park)
- A beer tent
- Multiple food vendors
- An arts and crafts area for local artisans
- Informational booths from many local non-profit groups and businesses
- A Silent Auction with donations from dozens of Minneapolis restaurants and services
- A large used book sale to benefit the Linden Hills Library

WHEN

Sunday, May 19, 2019 from 11:00 AM to 5:00 PM
(The Farmer's Market runs from 9:00 AM - 1:00 PM)

WHERE

Linden Hills Park, located in the heart of the neighborhood at 3100 W. 43rd St.

WHAT YOU GET

We ask sponsors to choose an area they would like to represent. Your company's name will be posted on a prominent sign in that area. The \$1000 and \$500 sponsorships will be the sole sponsor for that area. Sponsors at other levels may share the space with peer sponsors. See below for more details.
