## LHiNC Ground Rules

1. Come prepared (review relevant materials in advance whenever possible) and participate.
2. Be respectful and create an inviting, safe environment.
3. One person speaks at a time.
4. Stick to the agenda (topics, time limits, processes).
5. No raised voices or intimidating behavior.
6. Keep a balanced discussion; note positives as well as negatives.
7. Seek win-win solutions.
8. Critique ideas, not people's motivations or personalities. Make all criticisms and complaints specific and constructive, focused on specific issues and possible solutions.
